Bachelor of Computer Applications (Data Science)

Aug 2025 – Aug 2028

SGT University

Gurugram, Haryana

STRENGTHS

Problem Solving

Breaks down complex coding problems into manageable steps and applies a structured approach to find efficient solutions.

Self-Driven

Proactively learns new web development tools and frameworks through self-study, and follows personal projects through to completion.

Communication

Clearly communicates technical concepts and project updates, both in writing and conversation.

Teamwork

Collaborates effectively in group and academic settings to meet shared project goals.

CERTIFICATES

Software Engineering Job Simulation

Commonwealth Bank (via Forage)
